## Chef Solus Eating During School Tips

## EATING DURING THE SCHOOL DAY

* Most schools regularly send schedules of cafeteria menus home.
* With this advance information, you can plan on packing lunch on the days when the main course is one your child prefers not to eat.
* Try to get your child's school to stock healthy choices such as fresh fruit, low-fat dairy products, water and 100 percent fruit juice in the vending machines.
* Each 12-ounce soft drink contains approximately 10 teaspoons of sugar and 150 calories.
* Drinking just one can of soda a day increases a child's risk of obesity by $60 \%$. Restrict your child's soft drink consumption.
